August

...a word
From our Pastor

"What then is Apollos? And what is Paul? Servants through whom you believed, even as the Lord gave opportunity to each one. ⁶I planted, Apollos watered, but God was causing the growth. ⁷So then neither the one who plants nor the one who waters is anything, but God who causes the growth." **1 Corinthians 3:5-7 (NASB)**

Growth has been our prayer and goal since Forest Hills Baptist was founded over 50 years ago. We have witnessed periods of growth and contraction. We rejoice in the growth and mourn when we seem to slide back.

Sustainable growth is our target. Realizing who brings the growth, the Lord God, should help us to keep the right attitude concerning the Lord's work. Paul pointed this out clearly in his letter to the church at Corinth. It was not him nor Apollos that made the difference in Corinth, it was Jesus Christ.

Seeing this in scripture is an encouragement as God has begun growing our church. He is the one bringing new families into our church. It is He who is leading us to pursue prayer and witnessing. I believe God is preparing us for the next part of His plan for our church.

Moving forward changes necessary to meet the challenge of what lies before us, and the new Church Constitution is nearing completion. In this document organizational changes will be laid out to bring transparency to the operation of the church. In addition we hope to be ready to include new Christians into the body in an atmosphere of discipleship.

Finally, in the coming weeks the church will select a new slate of teachers and leaders. Please keep these efforts in your prayers.

God Bless You,
Pastor Rich
